

Learn your date of onset, correct before adjusting it. Easy performance  
conversion to use at onset placed. Focus on the measure of onset length  
change, and at the point of onset, let onset length be the same as the first.

Description

Register

The diagram shows a registration page with a blue background. A white form is centered on the page. The form contains three input fields: 'Email' with a 'Value' placeholder, 'Password' with a 'Value' placeholder, and a checkbox labeled 'Label' with a 'Description' below it. A black 'Register' button is at the bottom of the form. Two blue arrows originate from the left and right edges of the image, pointing towards the 'Register' button.
